Mr. Fred Hitz
Legislative Counsel
Central Intelligence Agency
Washington, D.C.

Dear Fred:

Senator Bentsen has told me that he would like to read the short version of my CIA paper in his Senate office sometime around 18 or 19 November, 1978. Would it be possible for you to make the necessary preliminary arrangements, and be prepared to bring it up yourself? I will confirm the precise time and date in early November. Thank you for your cooperation.

Sincerely,

Dave
